STAT MEMORANDUM FOR: [REDACTED]
Chief, Combined Support Staff/PCS

STAT FROM: [REDACTED]
Executive Officer/DDA

SUBJECT: Telephone Services

REFERENCE: Your Memo dated 9 October 1979
to A/DDA; Same Subject

Will:

STAT 1. Your referenced memorandum has been discussed
STAT with the Office of Communications. [REDACTED]
[REDACTED] and I discussed some ways of improving the
services. [REDACTED] did agree that there have been
some inordinate delays and that they would do everything
possible to act more promptly and efficiently. Brad and
Keith will work up some kind of prioritized listing
against which to work. Keith is also taking steps to
reorganize the surveyors, identifying at least one to
handle urgent telephone service. Hopefully, better
service will result.

2. Thank you for your memorandum bringing this
to our attention.
